

Job code: RC16001IAA

Intern Architect | Project Architect - open positions for Charlotte and Raleigh

Cline Design Associates PA, is an award winning multi-disciplinary architectural firm with offices in Raleigh and Charlotte, North Carolina. Our expertise is in multi-family housing, mixed-use, commercial, urban planning, retail, recreation, and interior design. With in-house Architecture, Land Planning, and Interior Design, we are able to provide integrated design services that position our clients for success in the marketplace. With our design philosophy, combined with a realist approach, and dedication to quality assurance, we have attained a reputation as one of the leading firms in North Carolina.

We are seeking candidates with a minimum 2 to 5 years experience. The candidate must possess strong design skills, strong graphic ability with 3D modeling rendering experience, and ability to work from Schematic Design through the Construction Document phase. Revit proficiency is mandatory.

Qualifications:

- Experience with multi-family and mixed-used projects preferred
- Demonstrated proficiency in Revit, Adobe Creative Suite and Sketchup
- BArch or MArch from a NAAB accredited university
- On track to pursue NCARB IDP & Licensure
- Excellent communication, written and presentation skills
- Organized, self directed with good time management skills
- LEED Accredited a plus or pursuing accreditation

With an open office concept, our culture is collaborative, fast-paced, and team-oriented. Our ideal candidate is someone who fits into that culture by being self-motivated to learn fast, with a desire to make a positive impact on those around them. We offer a competitive salary, full benefits package, summer hours throughout the year, etc.

To join our dynamic firm, please e-mail resume and portfolio to: hr@clinedesignassoc.com. Subject line for email submissions should read "RC16001IAA – YOUR NAME." Please indicate office location preference. No phone calls, please. Cline Design is an EOE
